Vice Admiral James D. McArthur Jr., USN (Ret)

(b) (6)

Dear Vice Admiral McArthur:

At the last Naval Academy Athletic Association (NAAA) Board of Control (BOC) meeting, the recently signed Memorandum of Agreement (MOA) between the Acting Secretary of the Navy and the NAAA was discussed. This Agreement established guidelines for the overall relationship between the Academy and the Athletic Association, along with the authority for the Superintendent to negotiate the more detailed Operating Agreement with the NAAA. One of the items delegated to the Superintendent in the MOA and the purpose of the correspondence, was the authority to formerly appoint BOC members.

Please consider this a request to continue your service as an appointed member of the BOC. Your oversight and guidance of the unique U.S. Naval Academy - NAAA relationship has resulted in maintaining a competitive and financially independent intercollegiate athletic program. With your help, our success will continue. I hope you will accept this request and remain with the BOC.

Sincerely,
